## September Campout, 2015

### Thorns:

- Trouble with finding the campsite!
- People shouting Saturday morning
- SPL took down all of the tents (With help from Scribe and Chaplin's Aide)
- Tents didn't have all requirements
- Trailer content was mismatched
- Tents didn't go home with the people who checked them out

### Roses

- Went to the caves (No sustained injuries)
- Everyone had very good cooked meals
- Really good original skits
- Chase Greibough was working there as a volunteer (Raccoon Patrol) (Eagle Scout)

### Possible October Campouts

We discussed possible October campouts, since the October Camporee was cancelled. We decided to have our #1 choice be Yellow River and Effigy Mounds, with Backbone Trail being a alternate 2<sup>nd</sup>.

Well, that's all we completed on this PLC. Until next time!
